# Conversation Hearts FOR COUPLES

*Whether you've been hitched six weeks or sixty years, maybe you need ideas for deeper fun and discovery with your spouse. Wanting a mix of silly, serious, and sexy conversation starters for your Valentine's date night? These conversation hearts are just for you!*

*Pick which you'd rather receive:* a long love letter with lots of details or a long voicemail from yours truly.

What small thing could I do to make our home more *peaceful?*

How have you seen God *increase your faith* through our marriage?

Who do you think is my *celebrity* lookalike?

What's your *favorite color* on me?

If you could eat only one cuisine for the rest of your life, *which would you choose?*

What *favorite birthday* memory do you have since we've been together?

Do you like it better when I massage your back or your feet? Which would you prefer *right now?*

*How can I care for your needs* more than I have been?

What's the *best food* I've ever made for you?
